

Declaration of Compliance

Name of the manufacturer:

Global Glass Products B.V.
Diazweg 3a
4462HG, Goes – The Netherlands

hereby declares that the following product:

Reusable drinking glasses made from Eastman Tritan™ Copolyester TX1501HF

complies with the following regulations:

- **Regulation (EC) No. 1935/2004** – on materials and articles intended to come into contact with food.
- **Regulation (EU) No. 10/2011**, including all relevant amendments, on plastic materials and articles intended to come into contact with food.
- **Regulation (EC) No. 2023/2006** on good manufacturing practices (GMP).

Based on information provided by Eastman Chemical Company, the product is suitable for repeated use with all types of foodstuffs at temperatures up to **100°C**. The material contains **TMCD (2,2,4,4-Tetramethyl-1,3-cyclobutanediol)**, for which a specific migration limit of **5 mg/kg** applies. This limit was not exceeded under representative test conditions.

This declaration is valid as long as the composition and intended conditions of use remain unchanged, and is subject to future changes in applicable legislation and regulations.
